Dominique Mollee

International Sales - ANP (Dutch National Press Agency)
The Hague, South Holland, Netherlands

Summary

Dominique Mollee is responsible for the international partnerships of press photography at the Dutch National Press Agency (ANP) including Associated Press, Magnum, AFP, EPA, New York Times, Laif, Panos, Getty and photographers George Steinmetz and Warren Richardson a.o. This involves annual visits to CEPIC, Visa Pour L'Image, World Press Photo and the Zilveren Camera awards.

ANP is chairman of the G39, a collective of European Press Agencies, in which Dominique regularly hosts meetings focused on new developments in photography and news media, regarding image rights, AI Generated Images, copyright infringement and SEO.

She graduated from New York Film Academy in Universal Studios, Los Angeles. Started a media production company and directed the award winning documentary 'My Way'. This documentary was featured in over 30 film festivals worldwide (Lincoln Center NYC, Hong Kong, Milan a.o.) and won six awards.

Previously Dominique obtained a bachelor's degree in Journalism (Broadcast Journalism and International Relations) in which she graduated on 'Micro Credit Projects in Third World Countries', 'Increasing Diversity in Utrecht' and 'Protecting Privacy in Media'.

She often participates in masterclasses including Counter Terrorism (Certificate from Clingendael Institute/Leiden University), the European Convention on Human Rights, Saudi Arabia, Iran and more.

Personal interests include traveling (From Sri Lanka, Nepal and Malaysia to Panama, Costa Rica and the United States) International politics, law, human rights, documentaries, volunteerwork, sustainable projects, social media, marketing and photography.

Experience

ANP
