Summary

I am a highly skilled and accomplished video director and editor, specialising in commercial and TV show production, as well as short films. With a remarkable career spanning 10 years and an extensive portfolio of over 200 successful projects, I have demonstrated my exceptional talent and passion for delivering captivating visual experiences. Currently serving as the Director of the Video Production Department at HD Vision Agency, I am entrusted with leading teams and overseeing the creative process. I obtained my Baccalaureate Degree in Multimedia Technology from the Arab American University, where I developed a strong foundation in multimedia arts and cutting-edge production techniques. I am recognized for my unwavering commitment to excellence and my ability to craft compelling narratives that resonate with audiences. My aim is to continue pushing boundaries and creating impactful content that leaves a lasting impression.

Experience

HDVision Agency
Director of Video Production
July 2022 - Present (1 year 4 months)
Rawabi, West Bank

As the Director of Video Production at HD Vision Agency, I lead and manage the entire video production department, overseeing all aspects of the production process for commercials and TV shows. With a deep understanding of client needs, I translate their vision into compelling visual content, executing innovative concepts while ensuring high production quality within project timelines and budgets. I collaborate closely with clients, delivering captivating and impactful videos that exceed expectations. Leading a talented team of videographers, editors, and production crew, I foster a creative and collaborative work environment, driving exceptional results. Continuously staying updated on industry trends and emerging technologies, I incorporate

new techniques and tools into our production strategies, providing HD Vision Agency a competitive edge. Additionally, I prioritize the professional growth of team members through mentoring and coaching, while managing multiple projects simultaneously, maintaining strong client relationships built on trust and exceptional work delivery.

This film serves as a powerful window, offering a poignant glimpse into the vacant spaces left behind by those who were forced to leave due to the occupation. It goes beyond the story of Ahmad Manasrah, shedding light on the staggering number of 105,000 other 'empty places' in Palestine, representing the martyrs and injured. Through profound storytelling and evocative visuals, this film explores the profound impact of the occupation, capturing the collective pain and loss experienced by the Palestinian people. It serves as a heartfelt tribute to those who have suffered and a call to action for justice and change. By shedding light on these 'empty places,' the film aims to raise awareness and ignite dialogue on the lasting effects of the occupation in Palestine.
